## Hermione and the Mystery Letter

\*\*

Author's note: Hi! It's me again. I know my last story was pretty bad (it was my first try and I was

a little nervous) but I hope this one will be better. This is supposed to be when Hermione, Harry

and Ron are in their fourth year. ::sighs as everyone stops reading at this point:: As always, I do

not own any of the characters; J.K. Rowling does.

Hermione sighed as she looked at all the work she had to do. \_"Next year I'll have to take a \_

\_few less courses" \_she thought to herself. Suddenly, she looked up and saw Harry Potter. \_"Oh no!"\_

she thought, \_"Now what do I do?"\_

"Um, h..hi Harry, what's up?" she managed.

"Oh nothing, Hermione, I just came over to see what you were doing." he said.

"Me? Oh I am just doing some homework."

Harry sat down next to her. Unfortunately, that was the exact moment that Ron decided to

walk in. \_"Oh no!"\_ thought Harry, \_"He is the only one who knows I like her! Why did he have to \_

—

walk in now?"

—

"Oh!" exclaimed Ron, "I didn't mean to INTERRUPT anything!"

"Shut up Ron!" yelled Harry as he turned bright red.

The next day, Hermione found herself in the same predicament that she did every night. She

had way too much homework, and way too little time to do it in. Suddenly, a large snowy owl flew

into the room. Hermione instantly recognized it as Hedwig, Harry's snowy owl.

"What do you have there, Hedwig?" she asked the owl.

It dropped a suspicious looking envelope on the table and flew away. "Is this for me?" she

wondered as she picked up the letter.

She looked at it to make sure. On the front it simply said "Hermione." She ripped it open

and read it. It said:

—

Dear Hermione,

Hi. I can't tell you who I am, because it is a BIG secret. I have something to tell you that you can't

tell anyone, I like you. Also, if you think I am Harry you may be wrong, because I could have

borrowed his owl. I have liked you ever sense the first time I saw you on the Hogwarts express. I

know you probably don't like me and that is why I could not tell you in person.

Your secret admirer,

Guesswho (What? Did you actually think I was going to tell you who I am?)

—

Hermione gasped and threw the letter on the bed!

To be continued...

Author's notes: Hi! It's me again. I have decided to combine chapters 1 and 2 together so scroll

## Hermione and the Mystery Letter (Part 2)

\*\*

Hermione read the letter over and over. She kept trying to figure out if it was from Harry or not. Hermione

was very upset because for once, she didn't have the answer to a question. She was just trying to come up

with the answer whenâ€|BANG! The door to the room suddenly opened and Harry fell onto the floor panting.

"Hermione did you get a letter from Hedwig today?" Harry asked.

"Yes, why?" Hermione replied. \_"Could it be him?"\_ she thought to herself.

"Oh no. Hermione please don't read it!"

"Well, I already did."

"Oh dear, Iâ€|I mean, that personâ€|didn't mean for you to read that." Harry nervously replied. \_"Oh \_

\_ \_

\_great, now she must know it is me"\_ Harry thought.

"Harry, did you send this letter to me?"

"Well, if you must knowâ€|yes!"

"Oh Harry, I am so happy. I have liked you for a long time but I was always afraid to tell you!"

" I don't know what to say, Hermione"

"Just say you love me Harry"

"I..I love you, Hermione"

"I love you, too"

Author's note: Well, that's it folks! I hope you liked it! Please review!
